The Committee shall be comprised of at least two (2) members, each of whom shall be an independent director according to independence standards established by the Governance and Nominating Committee consistent with applicable statutes, regulations and the New York Stock Exchange Listing Standards as may be in effect from time to time. In addition to any other independence standards established by the Governance and Nominating Committee consistent with applicable statutes, regulations and the New York Stock Exchange Listing Standards as may be in effect from time to time, before electing a director to serve on the Committee, the Board shall broadly consider all factors specifically relevant to whether the director has a relationship with the Company that is material to his or her ability to be independent from the Company’s management in connection with Committee duties, including, but not limited to, the following: (i) any compensation received by the director from any person or entity (including any consulting, advisory or other compensatory fee paid by the Company to such director); and (ii) the director’s affiliate relationships with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company. Committee members shall be elected by the Board at its annual meeting and shall serve until their successors are duly elected and qualified. The Committee’s chairperson shall be designated by the full Board, or if the Board does not do so, by vote of a majority of the full Committee. The Committee may form and delegate authority to subcommittees where appropriate.

RESPONSIBILITY

The primary purpose of the Committee shall be to (i) assist the Board in discharging its responsibilities relating to compensation of the Company’s executives; (ii) administer the Company’s cash-based incentive compensation plans with regard to the employees to whom Section 162(m) of the Internal Revenue Code applies; (iii) approve awards and grants of equity-based compensation arrangements to directors, employees, and others pursuant to the Company’s equity compensation plans; (iv) produce an annual report on executive compensation for inclusion in the Company’s proxy statement, in accordance with applicable rules and regulations; and (v) assist the Board by making recommendations regarding compensation programs for directors.

ATTENDANCE

Members of the Committee should endeavor to be present, in person or by telephone, at all meetings; however, two (2) Committee members shall constitute a quorum.

MINUTES OF MEETINGS

Minutes of each meeting shall be prepared and sent to Committee members and presented to Company directors who are not members of the Committee.
SPECIFIC DUTIES

The Committee shall:

1. In consultation with management, establish the Company’s general policies relating to employee compensation, and oversee the development and implementation of compensation programs.

2. Review and make recommendations to the Board with respect to the adoption, amendment and termination of the Company’s management incentive-compensation and equity-compensation plans, oversee their administration and discharge any duties imposed on the Committee by any of those plans.

3. Review and approve corporate goals and objectives relevant to the Chief Executive Officer’s (“CEO”) compensation, evaluate the CEO’s performance in light of those goals and objectives, set the CEO’s compensation level based on this evaluation, and provide to the Board’s independent directors the results of such evaluation for the purpose of an Annual Performance Review of the CEO; provided that the CEO may not be present during voting or deliberations on his or her compensation. In evaluating and determining CEO compensation, the Committee shall consider the results of the most recent stockholder advisory vote on executive compensation (“Say-on-Pay Vote”) required by Section 14A of the Exchange Act.

4. Assess the competitiveness and appropriateness of, determine, and authorize, the salaries, variable compensation, long term incentive plan awards, terms of employment, retirement or severance, benefits, and perquisites of the executive officers of the Company, subject to the limitations set forth in the applicable plans pursuant to which such compensation or awards are to be granted or determined. In evaluating and determining executive compensation, the Committee shall consider the results of the most recent Say-on-Pay Vote.

5. Authorize the granting of variable compensation and equity awards to other employees and delegate to the CEO, to the extent the Committee deems appropriate, the authority to allocate such awards among employees other than the executive officers, subject to the limitations set forth in the applicable plans pursuant to which such compensation or awards are to be granted.

6. Periodically review the compensation programs for the members of the Board and make recommendations regarding compensation, including equity grants, to the Board.

7. As requested by the full Board, review management’s long-range planning for executive development and succession, and develop a CEO succession plan.

8. Review and approve, prior to publication, the Compensation Discussion & Analysis (“CD&A”) prepared by management for inclusion in the Company’s proxy statement and/or annual report and furnish an accompanying statement certifying the Committee’s review of the CD&A and approval for publication, in accordance with applicable rules and regulations, and review and approve, prior to publication, the Executive Compensation sections of the proxy statement.

9. At least annually, and as otherwise alerted to relevant circumstances by the Company’s General Counsel, review reports related to director and executive officer transactions in the Company’s stock to evaluate short-swing profit liability under Section 16(b) of the Securities and Exchange Act of 1934. If necessary, assist in recouping such profits from the director or officer in question.

10. Perform other review functions relating to management compensation and Human Resources policies, as the Committee deems appropriate.
11. Review the Company’s incentive compensation arrangements to determine whether they encourage excessive risk-taking and oversee other specific risk areas as delegated to the Committee from time to time by the Board, including reviewing regular reports from management regarding the management of such risks and periodically providing a report on such risks to the full Board.

12. Conduct an evaluation of the Committee’s performance and charter at least annually, and recommend to the Board such Committee Charter changes as the Committee deems appropriate.

13. Review and recommend to the Board for approval the frequency with which the Company will conduct Say-on-Pay Votes, taking into account the results of the most recent stockholder advisory vote on frequency of Say-on-Pay Votes required by Section 14A of the Exchange Act, and review and approve the proposals regarding the Say-on-Pay Vote and the frequency of the Say-on-Pay Vote to be included in the Company’s proxy statement.

14. Regularly report to the Board regarding the Committee’s activities.
